

# Casey Cares Foundation Pajama Rolling Session

## What is Casey Cares?

The Casey Cares Foundation is a non-profit that provides uplifting, ongoing programs with a special touch to critically ill children and their families. We provide little moments that create lasting memories for families who need them most. Our pajamas provide comfort to hospitalized children and their families.

## How will our group help?

Casey Cares will provide more than 23,000 pairs of new pajamas to critically ill hospitalized and homebound children this year and each of those pjs needed to be rolled and tagged! During the pajama rolling session you will spend a few hours rolling them, tagging them, and sorting them. It is not a difficult task, but it does take some time and we are grateful that you are donating yours!

## What other palliative support does Casey Cares provide?

Casey Cares provides tickets to sporting events, live shows, concerts, plays, museums, area attractions, grocery store assistance, birthday gifts, group parties, care packages and food delivery. Casey Cares will provide more than 31,000 activities this year alone to children being treated for leukemia, severe sickle cell, cystic fibrosis, brain tumors, congenital heart defects, and other complex and life-threatening illnesses.
